

Marine Biology

FISH/BIOLOCEAN 250

Uncover
why the
ocean is
salty, where
life started,
and how
tides work

Open to: Any UW student! No prerequisites. FIG option available.

When: Autumn, Spring, or Summer Quarter

Where: Seattle (A, S) or Friday Harbor Labs (A, Sp)

Credit: 3 or 5 credits; NW/I&S

Dive Deeper: Become a Marine Biology Minor. You can declare anytime, even your first quarter on campus! FISH 250 is a core course.
