An Equal Opportunity Employer

Forester Supplemental Questionnaire

* 1. Do you have two years of technical forestry experience?
2. If you are claiming experience in the above question, please list the employer(s) where you gained this experience in the text box below. The employer(s) and a description of the experience must also be included in the appropriate sections of your application if you would like the experience to be considered in the eligibility decision. If you claimed you do not have experience, type N/A in the text box below.

3. Do you possess any of the below degrees in forest technology, forestry, forest management, forest ecosystem management, urban forestry, forest science, agroforestry, or a related field? If yes, you must attach your transcripts for this education to be considered in the eligibility decision. Transcripts must be attached prior to the submission of your application.

- Master Degree
- Bachelor Degree
- Associate Degree
- None

4. Do you possess a current driver's license which is not under suspension?

- Yes
- No

5. If Yes, please provide the issuing state and license number. If you do not have a valid driver's license please type N/A in the text box below.

6. You must complete the supplemental questions below. These supplemental questions are the exam and will be scored. They are designed to give you the opportunity to relate your experience and training background to the major activities (Work Behaviors) performed in this position. Failure to provide complete and accurate information may delay the processing of your application, or result in a lower-than-deserved score or disqualification. You may attach a resume, but you must also complete the application and answer the supplemental questions.

All information you provide on your application and supplemental questions is subject to verification. Any misrepresentation, falsification or omission of material facts is subject to penalty. If requested, you must provide documentation, including names, addresses, and telephone numbers of individuals who can verify the validity of the information you provide in the application and supplemental questions.

Read each work behavior carefully. Determine and select which "Level of Performance" most closely represents your highest level of experience/training. List the employer(s)/training source(s) from your Work or Education sections of the application where you gained this experience/training. The "Level of Performance" you choose for each work behavior must be clearly supported within the description of the experience and training information entered in your application or your score may be lowered. In order to receive credit for experience, you must have worked in a job for at least six months in which the experience claimed was a major function.

If you have read and understand these instructions, please click on the "Yes" button and proceed to the exam questions.

- Yes

7. WORK BEHAVIOR 1 – SELECTS SITE AND DETERMINES TREATMENT

Selects a site and determines what treatment will be employed by reviewing forest management plans, topographical maps, aerial photographs, criteria determined by the U.S. Forest Service and judgments of other foresters and supervisors in order to implement a particular treatment such as logging, thinning, clear cutting, spraying for insects, etc.

Levels of Performance

Select the "Level of Performance" which best describes your claim.

- A. I have experience independently, or as the leader of a team, selecting a site and determining what treatment will be employed by reviewing forest management plans, topographical maps, aerial photographs, criteria determined by the U.S. Forest Service and judgments of other foresters and supervisors in order to implement a particular treatment such as logging, thinning, clear cutting, spraying for insects, etc.
B. I have experience as a member of a team selecting a site and determining what treatment will be employed by reviewing forest management plans, topographical maps, aerial photographs, criteria determined by the U.S. Forest Service and judgments of other foresters and supervisors in order to implement a particular treatment such as logging, thinning, clear cutting, spraying for insects, etc.; OR I have completed a paid internship in the area of forestry where my duties included selecting a site and determining what treatment will be employed.

C. I have completed college coursework related to this work behavior.

D. I have NO experience or training related to this work behavior.

* 8. Describe your experience as it relates to the level of performance you claimed on this Work Behavior. Please be sure your response addresses the three items listed below. If you claimed you have no work experience related to this work behavior, type N/A in the text box below.

1. The name of the employer where you gained this experience.
2. The actual duties you performed related to the level of performance you claimed on this Work Behavior.
3. Your level of responsibility.

* 9. If you have selected the level of performance pertaining to college coursework, please provide your responses to the three items listed below. If you indicated you have no education/training related to this work behavior, type N/A in the text box below.

1. College/University
2. Course Title
3. Credits/Clock Hours

* 10. WORK BEHAVIOR 2 – SURVEYS SITES

Surveys a site using a compass, GPS, GIS, and various surveyors' equipment, paints boundary lines, calculates total acreage and breaks down total area into smaller plots if necessary; cruises area to gather data such as species of trees, number of logs, diameter of trees, basal area, etc.; flags site and marks reserve trees; computes volumes and/or value of trees using set criteria and formulas by species, grade and type (saw timber, pole timer, cord wood, pulp wood) by board feet, cords, tons and/or dollar value and enters data on a tally sheet.

Levels of Performance

Select the "Level of Performance" which best describes your claim.

A. I have experience independently, or as the leader of a team, surveying a site using a compass, GPS, GIS, and various surveyors' equipment, painting boundary lines, calculating total acreage and breaking down total area into smaller plots if necessary; cruising area to gather data such as species of trees, number of logs, diameter of trees, basal area, etc.; flagging site and marking reserve trees; computing volumes and/or value of trees using set criteria and formulas by species, grade and type (saw timber, pole timer, cord wood, pulp wood) by board feet, cords, tons and/or dollar value and entering data on a tally sheet.

B. I have experience as a member of a team surveying a site using a compass, GPS, GIS, and various surveyors' equipment, painting boundary lines, calculating total acreage and breaking down total area into smaller plots if necessary; cruising area to gather data such as species of trees, number of logs, diameter of trees, basal area, etc.; flagging site and marking reserve trees; computing volumes and/or value of trees using set criteria and formulas by species, grade and type (saw timber, pole timer, cord wood, pulp wood) by board feet, cords, tons and/or dollar value and entering data on a tally sheet; OR I have completed a paid internship in the area of forestry where my duties included the above work duties.

C. I have completed college coursework related to this work behavior.

D. I have NO experience or training related to this work behavior.

* 11. Describe your experience as it relates to the level of performance you claimed on this Work Behavior. Please be sure your response addresses the three items listed below. If you claimed you have no work experience related to this work behavior, type N/A in the text box below.

1. The name of the employer where you gained this experience.
2. The actual duties you performed related to the level of performance you claimed on this Work Behavior.
3. Your level of responsibility.
