GROUND CREW POSITION (PART TIME)

Renaissance Tree Care is currently looking for a qualified individual to become a member of our tree care team. We are a small family owned business who have been servicing the greater Seattle and surrounding areas since 1995. This position offers competitive hourly wages based on skill level and experience; with regular opportunities for increases and skill growth provided by the company. Work is completed Monday through Wednesday, 7:30am to 3:30pm - with the occasional opportunity for overtime.

Because of the physically demanding nature of the job, the following is required of all applicants:

- Demonstrate physical fitness: climbing, med/heavy lifting and endurance.
- Be comfortable with climbing ladders not exceeding 10’.
- Possess professional communication skills and an ability to be a team player.
- Attention to detail and a willingness to learn/receive feedback.
- A valid driver’s license and current DMV record.
- Strong written and verbal English skills.

All applicants must possess the following skills in some capacity. Renaissance Tree Care is willing to work and invest in individuals to strengthen certain core skills an applicant might be weaker in.

- Working knowledge of knots, ropes and the usage of both. (RTC can provide training)
- Utilization of all appropriate Personal Protection Equipment (PPE) and company/state safety rules and policies.
- Safe and knowledgeable operation and maintenance of trimmers, power tools and heavy equipment/machinery (chainsaws, chippers, trucks, etc).
- Some level of familiarity with native tree and shrub identification, growth habit and care.
- An interest and appreciation for the unique natural environment of the Pacific Northwest.

PLEASE NOTE: 90% of the work related to this job is done outdoors; all year long and in all weather conditions that do not pose a safety risk. Employees are expected to provide their own clothing and weather gear to allow them to function in a variety of weather conditions and arrive to work prepared for that day’s challenges. Renaissance Tree Care will provide all additional equipment required to complete work.

This position is great for current or recently graduated environmental studies students, current industry professionals looking for additional work or a chance to lay the groundwork for a career in aborial sciences.
